SELECT (Special Education Learning Experiences for Competency in Teaching) is a federally funded program sponsored by the Arizona Department of Education and offered by Northern Arizona University. SELECT courses are recommended for special and regular education teachers, related service personnel, paraeducators, and other interested individuals. Classes can also be taken for professional growth for those working toward teacher re-certification.

SELECT courses can be taken in two ways: 1) for Professional Growth or 2) for NAU Credit.

- The way you take a SELECT course depends upon whether you need a record of contact hours **only** or an official university transcript. Those working toward teacher certification **will need** an official university transcript and must take their classes for credit. Teachers working toward re-certification can take any course for Professional Growth contact hours.
- If you are trying to decide if a SELECT class will meet your needs for Special Education **certification** or **re-certification**, please contact the Arizona Department of Education Certification Office in Phoenix at (602) 542-4367, in Tucson at (520) 628-6326, or in Flagstaff at (928) 679-8117. Website: <http://www.ade.state.az.us/> Email: certification@ade.az.gov.
- SELECT courses may not apply to a degree program without prior written approval from your academic advisor. In general, only one or two SELECT classes can be used as elective requirements for a degree program.
